Will "Lay Down / Material Storage Areas" be available in each of the larger buildings (1E, 1W, 31/22, & 28) that work is being performed in?

The contractor will not be supplied with a 'Lay Down/Material Storage Areas' sufficient to stage for the entire job. The contractor has limitation on the amount of material allowed on site at any time as identified on the specifications and must provide his own material storage and delivery.
